Hybrid courses are available either in-person or online. To attend a hybrid course online, students must live more than 200-km from Montreal and have the permission of the instructor. All students in these courses must attend in person during the designated residential weeks of the semester. Classroom assignments and meeting locations will be set later in the summer. Reading courses meet at a schedule determined by the instructor and the student.

The first week of classes for the fall semester is the week of September 2. The first day of classes for semester-long courses that meet on Tuesday is September 3 and the first day of classes for semester-long courses that meet on Wednesday is September 4.

Further information about the orientation for students in the M.Div. or the Dip.Min. programs will be forthcoming later in the summer.
